

Hands-on exercises to the lecture „Modern Methods in Drug Discovery“ WS26/27

Click the “Draw” icon of the PubChem database, which allows you to depict your SMILES and SMARTS.

Try to find correct SMILES for the following structures:

Tip: Type your SMILES in a text editor program first and then copy/paste them into the PubChem editor. Hit the “NEW” button to delete the input before each new try.
